

Warranty card for slotted mats DBS.

The producer and supplier of goods, Geyer&Hosaja, provides customers with a 5-year quality warranty for the maintenance of value of use of the provided products. The warranty applies to defects caused by manufacturing error or material defect.

Terms of the warranty:

1. The warranty period starts from the date of sale confirmed by invoice or document of storage.
2. Visible physical damage or product quality defects (if detected) must be reported to the supplier prior to assembly.
3. Product damages arising in the case of improper use of the device are not covered by the warranty.
4. Typical signs of wear, such as local abrasions to the top structure of mat, local stretching of the mat, small cracks or tears on the underside of individual tabs are not guaranteed.

During the warranty period, the manufacturer is obliged to remove latent defects caused by manufacturing error or defects in the material not visible during receipt of the product or revealed during use. This responsibility includes replacement of the value of the goods, minus wear and tear on the advertised product.

The manufacturer, as the guarantor, reserves the right of evaluation and qualification of any defects.
